Dear Mr. Brower,

I am writing to provide some feedback on the Frozen Creek Hockey Tournament hosted by your varsity hockey team over the Thanksgiving holiday weekend.

As a hockey official I have had the privilege to officiate hockey games and tournaments both locally and across the Midwest. It is with this experience that I have based the feedback below.

The Frozen Creek Hockey Tournament this past year was the most professional tournament I have had the pleasure of participating in. The preparation, organization, game day operations, and support was truly a class act. The activities and actions of those involved in the hosting provided a positive reflection on both the Beavercreek Hockey Team and the Beavercreek City Schools.

Sincerely,

Gary D Wilson
